Kathy –

I will clean this up a bit tomorrow, but here it is so far so you can see what we will be sending (subject-wise).

Thanks,
Connell

- The Forest Service (FS) is the federal lead agency, and the Army Corps of Engineers is cooperating agency seeking to adopt the FS's Record of Decision for their CWA §404 permit decision. On February 21, 2012, EPA rated the DEIS "EU-3." However, the FS has decided not to prepare supplemental or revised DEIS, and now expects to publish an FEIS in November 2013.
